# WHAT WE DO

**United Way Fort McMurray and Wood Buffalo (UWFMWB)** is more than a charity, we are a catalyst for change. We are committed to improving lives and building a stronger, more connected community.

We bring people, knowledge, and resources together to create lasting impact—because when one of us thrives, we all do.

**United in Action.  
Inspired For Change.**

## WE ACHIEVE THIS BY:

**Empowering** families by investing in programs that support food security, safe housing, mental health, and financial stability to provide families with the tools to thrive.

**Supporting** youth success by helping young people build confidence and resilience through early learning, mentorship, and education programs.

**Strengthening** community connections by funding initiatives that reduce isolation, promote inclusion, and bring people together across cultures, generations, and neighborhoods to create a sense of belonging.

**Responding** to local needs by listening to our community and acting quickly through partnerships with frontline agencies and local leaders whether it's a crisis, natural disaster, or a long-term challenge.
